ANNIVERSARY
1964 - 2014

It was in 1964 when the Gallegos family decided to go into the business of serving delicious Mexican food to the residents of Las Cruces and the surrounding area. Their first restaurant was located at 226 S. Campo, but quickly outgrew its size as word of the great food and famous green chile got out.

In 1968 the Gallegos family moved Nopalito's to the current address at 310 S. Mesquite. As Business continued to grow, they expanded with a Second Nopalito's at 2605 Missouri.

The Bottom line to our success is that none of this could have been possible without you-our friends and customers. We extend a **BIG THANK YOU** for your patronage and look forward to serving you for many years.
